 The training is geared both for the US NCLEX RN & Canadian NCLEX RN. The upcoming annual review program begins Aug 2, 20 **24 .** There is limited availability. Please make your registration early.   **Students have to arrive by Aug 1. The 4.5 month program is from Aug 2 to December 15, 2024** . Testing is between December 17-21. Students are recommended to attend the full course review to have a 90% or better chance of passing the exam and schedule their test after the 4.5 month program. Our current pass rate is at 90%.

Book one-way tickets to allow for test readiness evaluation.

Have a valid ATT, pending application, or proper documents to process your application upon arrival. This is a requirement for class registration.

If your ATT eligibility period is only 3 months, (example: New York, Vermont, Illinois, North Carolina) do not send in your NCLEX test fee until you are in the class to avoid ATT expiration.
